

FIRST HOLY COMMUNION 2023 / 2024

The Children beginning Year 5 in the Primary School this September will be warmly invited to make their First Holy Communion.

This is an important and special time in their lives when they will prepare to receive Our Lord in this holy Sacrament and take a further step in their Catholic Faith. It brings them more closely into the life of the Church and membership of the local parishes. With your help, and with the support of the schools and parishes, we will be very happy to guide the children forward on this sacred journey.

Preparation classes will begin in October this year. It is for Year 5 children from Ss. Peter and Paul's parish, but if anyone does not have access to their own parish, or older children in your family have missed out in previous years, they will be welcome to join us. Preparation sessions will take place in our church of St. Peter and Paul, Crosby. See the above address and details for your for your information.

You can apply online through our website where you will find an application form available quite soon, or you can collect a form from church or from your child's school.

It is very important that the children attend the parish Mass on Saturday evenings (5.45 pm.) or Sunday mornings (10.30 am) as often as they can, with their family, as part of this preparation and, of course, after their First Communion.

Details of starting dates for preparation will be given after we receive your application form. Baptism details are also required if your child was baptised outside the Crosby area.
