ABORTION AND ASSISTED DYING ALERT: It is still important to keep up pressure on MPs and those making decisions of life and death to counter the horrific trend towards abortion on demand, by writing or emailing to their local constituency office or their office in Parliament,

FURTHER ACTION NEEDED: As the assisted suicide Bill progresses through the Lords, Peers have made it clear that receiving physical letters will have the most influence at this stage of the process. Right To Life UK has launched a new *EasyAction* tool that creates a personalised letter to be sent in the post to a Peer highlighting a key concern with the Bill, selects a Peer to receive it, and customises the letter so that it is addressed from you. Please take action now and visit www.righttolife.org.uk/aspeersletter to send a letter to Peers asking them to oppose assisted suicide.
